March 2018

Brothers and sisters in Christ, grace & peace.

I am Wael Sous from Egypt, with family Odette Hanna, Joy Sous (21) and Moheb Sous (18).

In 1997, I graduated from the Evangelical Theological Seminary in Cairo, Egypt, with a Masters of Divinity. I pastored churches in Egypt for nearly 20 years.

In 2013, we began to be persecuted and threatened by the Muslim Brotherhood. For our family's safety we decided to visit friends in Bryan, TX, arriving June 13, 2013. We lived in Texas approximately 3 years and then went to Wichita, KS, for about 8 months to help with refugees there.

The call to our ministry has always been on our minds. We heard about the Arabic speaking community in Nashville, TN, and sensed a call to an Arabic church in Antioch, TN, where we served nine months. Following that we began a new church plant on July 1, 2016.

About 3 months ago, God pressed on Odette and me a larger vision to reach more Arabic people. There are approximately 30,000 to 40,000 Arabic people living in Nashville, maybe more. These Arabic people are mainly from Egypt, Jordan, Iraq and Syria.

The Vision:

- To point these people to Jesus while loving them with His love.
- To see them become members of God's family through evangelism.
- To disciple them and develop in them Christ-like maturity; equipping them to serve Him for His glory.
- To build relationships with the Arabic people.
- To establish home Bible study groups.
- To develop leadership training. (Team work).
- To train others to make disciples.
- To pray for more ministers in the Smyrna-Mt. Juliet-Nashville area.

This is our vision. We are praying daily for it and we hope you will be willing to share with us in our vision, both in prayer and in financial support. Currently, we have immediate financial challenges and need help.

We are trying to raise our monthly support until I can be supported full time in my ministry.

I am establishing home bible study groups to share God's word.

My ministry is for the Glory of God and to Glorify His name:

The schedule of activity for 2018:

- 11-23-18 Thanksgiving Ministry.
- 12-24-18 Christmas Ministry.
- 12-31-18 New Year Ministry.
- 01-06-19 Eastern Christmas
- Establish ESL classes

Please pray for us as we share the Kingdom life with the people. Amen

# Supporting Our Ministry

“Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age.”

(Matthew 28:19-20)

We are blessed to have been called to the Arabic Ministry in Tennessee and we are honored to have you all supporting us in every way you can both prayerfully or financially. Our ministry has been growing but as any church planting ministry goes, it is time consuming and it takes time to build trust. We send our newsletter about every month and if you are interested in getting it every month contact us and we will put you on the email list. The Lord has been faithful in providing for us. We want to share with you our plans for 2018 and ask if God puts it on your heart, to give to our ministry and help us financially. Every dollar counts.

**Our mission statement:** To disciple the Arabic population to have a relationship with Jesus Christ and equip them to bring more people to the Kingdom. To mend broken relationships to build the body of Christ.

**Our plan for 2018:** I want to reach the unchurched Arabic Christians and Muslims in Tennessee. When we have enough Christians, we will form a new church. We will split our congregation to four different discipleship groups. We are planning on expanding discipleship in groups and individuals. We also are planning on evangelizing to increase our congregation to 100 people that attend regularly. We are going to start seminars in American churches to train them in evangelizing Arabs. Also, we are starting to teach the group we have on how to become disciples to expand the Kingdom. We also try to break the cultural challenges that most Arabic people suffer from.

**Our budget:** We divide this between our personal life and the ministry costs.

Our family's monthly budget (\$3,635)

Rent - \$1,200

Electricity - \$100

Cellphones - \$150

Insurance (Auto and Health) - \$500

Gas - \$400

Education - \$500

Food - \$500

Credit Card - \$100

Internet - \$85

Car Payment - \$100

Income is around \$2,400 for both Odette and me.

We have a personal shortage of about \$2,435 every month.

Ministry Monthly Budget

Communication & Website - \$200

Office Supplies - \$50

Transportation - \$100

Fellowship meals - \$100

Please contact us with any questions, payment options, or if you want to know more about our ministry and upcoming plans.
